CHANGES: Change: An asterisk (*) nex to the Payor Name indicates change in the last 30 days

PAYOR ID: The ID that must acompany a caim in order to route it to its correct destination

PAYOR NAME: The name of the WorkCompEDI electronic Payor

PROCESSING STATUS: Indicators about changes to existing routes

NS EDI *Payor has requested delivery of billing via non-standard mechanism (typically fax, email or secure transfer delivery). Most routes delivered via NS EDI do not provide acknowledgement of receipt, howver, WorkCompEDI has verified route and confirmed it is a viable and proper delivery mechanism.*

TRUE *Is avaiable to submitting parties*

IN TEST *In Testing - not available at this time*

Added *Route was recently added to the Payor List*

Merged *Route was consolidated to another existing route; Payor ID is still available through alias processing, however, it would be best to update your systems with the new consolidated Payor ID to ensure proper routing.*

Internal Update *Non-published information about route has been updated - has no effect on submitters*

ENROLLMENT: Indicator of the type of enrollment that is required for claim payment by WorkCompEDI and/or Payor(s):

(W) *WorkCompEDI facilitates the enrollment process with the Payor on behalf of the provider. WorkCompEDI will forward a copy of the specific Payor required documents to the provider and track the approval process with the Payor upon receipt of a properly complete*

(F) *The Payor requires an original agreement on file; however, no Payor approval notifications are sent by the Payor. WorkCompEDI will forward a copy of the Payor agreement to the provider who must complete and return to WorkCompEDI for processing with the Payor*

(S) *The provider needs to submit only the Payor-specific Identification Number(s) to WorkCompEDI, along with demographic information and FEIN and/or SSN & Payor Assigned ID for automated registration.*

(P) *Prior to submission, provider must contact Payor to attain Payor Specific Identifier which must be submitted on every claim.*

(Z) *Prior to submission, WorkCompEDI must contact Payor to approve submitter for EDI submission. All billing will be sent via print & mail until approved by Payor for EDI submission.*

(A) *WorkCompEDI will mail the Payor-specific enrollment agreements to provider. The provider must then mail the Payor-Specific enrollment agreements to the Payor for approval. NOTE: WorkCompEDI will NOT follow up with the Payor for approval or send approval no*

(N) *Enrollment is NOT required*

(G) *Call WorkCompEDI for submission requirements and instructions*

(I) *WorkCompEDI initiates the enrollment process with the Payor. The Payor will mail their specific enrollment agreements to the provider. The provider must then mail the Payor-Specific enrollment agreements to the Payor for approval. Once the Payor notifies the provider of approval, the provider must supply the Payor-Specific Identification Number(s) to WorkCompEDI.*

(C) *Prior to submission, provider must contact Payor to request setup for electronic claims submission through WorkCompEDI.*
